Letter To THE Honorable Judge Kent A. Jordan

RE: CPL. Danelli, Now Sgt. Danelli at C.V.O.P

On a letter Dated 12/9/04 I sent a letter telling you about Sgt. Danelli about defamation of my character entered: 12/14/04 and that I tryied to handle it with the institution which nothing happened, I am sending the memorandum the institution sent me, but did nothing. And now Sgt. Danelli is down here at C.V.O.P. and as you know in my complaint that i sent in that I was Asualted by Sgt. Danelli and about the ack-ucation he said about me back in December 2004. I Feel as though I am not safe around Sgt. Danelli and would like the court to intervene in this matter,

Respectfully
